Re: UW Madison Field Trip

The Talented and Gifted Students in the freshman class from both Craig and Parker are invited to this field trip the University of Wisconsin in Madison on Thursday, April 11th. We will be leaving at 8:45am SHARP from the front doors of Craig High School. Upon arrival at UW Madison students will get a campus tour of the campus and the different programs and offerings UW Madison has that may be of interest to students.

We will be having lunch on campus at Union South, so students can experience campus life. Students should bring money in order to purchase lunch. We will be headed back to Craig High School around 1:00pm and should arrive for 6th, 7th, and 8th hours.

There is no cost to your student for this field trip. Please remember to bring money for lunch. You may check out the food options at <https://union.wisc.edu/visit/union-south>.

Please dress for the weather and bring a water to stay hydrated. If any parents would like to chaperone the field trip please let me know. **Please sign and return the attached permission slip by Tuesday March 26th to room 125!**
